Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Art Unit: 1794

Continuation of Box 3:

The amendment is not entered into consideration because the newly added claim limitation of "the first pressure-sensitive adhesive layer is free of electrically conductive particles" requires further search and/or consideration.

Continuation of Box 11:

Regarding Applicant's response, the response is not found persuasive because it relies on an amendment that is not entered into consideration.
